

## 2018-2019 BUSINESS PARTNERSHIP PROGRAM

*Greetings!*

On behalf of the R. B. Hunt Elementary School PTAO, Administration, staff and students, I would like to thank you for considering a Business Partnership with our school. We invite you to assist us in continuing to build successful partnerships as stakeholders in school improvement, student achievement and parental involvement. Encouraging and supporting student growth is one of the most important aspects of education – and with your help, we can further our efforts in providing the students at R.B. Hunt Elementary School with the necessary tools.

Our 600+ students live in our island community and their families patronize our local businesses every day. In return for your partnership, we work to promote your business to our students and their families throughout the school year in our weekly newsletter, web site, business partnership flyer distribution and ceramic tile “ad” in the main hall of the school for the school year, etc.

In the 2017-2018 school year, business partnerships played a significant role in providing funding for:

- New Playground Equipment
- Providing planners and communications folders to each student
- Subscribing to World Book and Scholastic News
- Hosting the Fall Carnival for students and their families
- Providing Accelerated Reader incentives to students
- Honoring teachers during Teacher Appreciation Week
- Provide field trip scholarships
- SSYRA books for every classroom
- OfficeMax gift cards for teacher supplies
- Robotics Club Kits and Scholarships
- Grade level grants
- River Rock art project
- 60+ new laptops for labs and student testing
- Professional development for resource teachers
- Provide water safety and swim instruction to every child in Kindergarten through 3<sup>rd</sup> grade

We are hoping to secure the financial contributions of our dedicated business partners as early in the school year as possible to meet the impending needs of our teachers and staff. In-kind donations are also greatly appreciated. **Please consider creating a business partnership with us this year by returning the business partnership registration form as soon as possible.** A complete listing of partnership opportunities for the new school year is also attached. This single partnership request includes all event sponsorship opportunities for 2018-2019.

Please don't hesitate to contact me at [huntbusinesspartners@gmail.com](mailto:huntbusinesspartners@gmail.com) if I can answer any questions for you or to renew your partnership with R. B. Hunt Elementary School for 2018-2019.

Sincerely,

Amy Gibbs  
Business Partner Program Coordinator

## BUSINESS PARTNER PROGRAM REGISTRATION FORM

Thank you for considering the 2018-2019 Business Partner Program at R.B. Hunt Elementary School. School partnerships are vital relationships between a business, agency or organization and a school or the district to work together for the purpose of enhancing education.

Your decision to join us as a business partner will allow us to enrich the education experience of our students by providing grade level grants to teachers, classroom resources, field trip opportunities, exciting learning incentive activities such as the Advanced Reader program, and securing online educational technology. We welcome you as our partner and look forward to working hand in hand to provide our students with the best education possible.
