3:35pm Old Business New Business

Jen Stevenson warns that the next meeting will be an hour and 20 minutes and an afternoon meeting. The October meeting will also be at 3pm, not 8:35am so the teachers can get their grant applications in. Was set for today, but didn't think the teachers were ready because many lost power during Irma. Only have gotten 5 so far. Picture day, Allison Dubrow needs volunteers to brush hair, Tuesday morning.

Jen Stevenson asks Amanda Garman if she has anything to add, she said that she would love the money from the Fun Run to go to new playground piece, the kids were so excited about the new piece this year and it did great during Hurricane. Nurse Jean October 19th and 20th are the Health Screenings, we will do vision, height weight. Allison Dubrow will help get volunteers, Nurse Jean always grateful for help and states that you don't have to have health screening skills, but if there is a registered nurse doing the vision tests, she will not have to redo. All grades get vision. 3rd doesn't get hearing, Kindergarten and 1st don't get height and weight. Jen Stevenson's daughter found out about her daughters very bad vision through the program.
