February 25, 2017

Virtual Entry Information

We all have friends, family members, co-workers and neighbors who would love to support the Run4Hunt, but cannot attend on race day. With our Virtual Entry program, they can participate, too.

Remember, there will be prizes awarded to the classroom in each grade receiving the most entries. Virtual Entries are your way of including your grandparents, aunts, uncles, godparents, and friends all over the country in this effort.

Virtual entrants are encouraged to send a note of support to their students which will be delivered on February 24th!

So start sending those e-mails...anyone, anywhere can participate in the Run4Hunt!
