Dear Parent(s),

I congratulate you and your child on his/her success in school for this grading period. Your student's high academic achievement is a testament to the efforts and accomplishments exhibited by many St. Johns County students. I hope that your child's example will encourage other students to strive to do their very best in their daily school work.

By earning the Honor Program card, your student is entitled to savings at specified local businesses. This program rewards and reinforces your student's hard work. I encourage you to use it often to realize the many benefits and discounts.

When you shop or use a service, ask if they are a participating member of the St. Johns County School District Honor Card Program. If they are not or would like more information, please have them contact the district's Volunteer Services Department at (904) 547-3945.

Once again, I applaud the efforts of both you and your child, and look forward to many more life successes.

Sincerely,

Joseph G. Joyner, Ed.D.
