## The Children's Soccer Experience

Introduce your child to the beautiful game of soccer in a creative, age appropriate, non-competitive setting.

Classes taught by coaches who are passionate about working with children and about soccer.

## Stronger Youth. Beyond the Game.

We have not only seen his skill level grow but also his confidence and social skills. He is a very shy kid but Soccer Shots has helped to really come out of his shell through the encouragement he received from coaches and the cheering from his teammates. He has learned how to handle himself and be a good sport even when he doesn't make the shot, how to keep trying and practicing something that is harder to do, and how to encourage his teammates too. We are truly thankful for the experiences we have had with Soccer Shots and the difference they have made in our boy.
