How to Set/Edit Reading Levels for Students in A.R.

1. In Accelerated Reader, go to **Preferences**
2. Under **Classroom Preferences**, click **Individual Student Settings**
3. Click on **Edit Quizzing Allowed**
4. Set students' **ATOS Book Level** to their ZPD range (3rd-5th Grade may want to keep the lower range now lower than 3.0 so that students can take the quiz on all of the S.S.Y.R.A. books).
