

Hunt's Catch-Up

R. B. HUNT ELEMENTARY

From the Principal's Desk:

Dear R. B. Hunt Family,

R. B. Hunt will be hosting our 2nd annual introduction to STEM Night this Thursday, November 19th, 5:30 p.m.-7:30 p.m. STEM stands for Science, Technology, Engineering and Math. We will have local professionals involved in STEM careers here to help students interact with STEM related activities. It is our hope to spark excitement in students about STEM related fields and help them see the connection of these areas to their studies here at R. B. Hunt. I encourage you to make the effort to come- last year students were so excited they asked for us to have a STEM week! Pizza and drinks will be available for sale. See you there!

The book fair has been a huge success! Thank you to Jo Ellen Parkey for all her hard work, and contagious passion for the book fair. Thank you to all the parents and grandparents that supported our fair. A very special thank you to all the volunteers that rang up sales and helped students pick out books; Melissa Yuhasz, Kara Tozer, Sabrina Kelbert, John Parkey, Allison DuBrow, Tasha Stanton, Melinda Conlon, Amanda Brawner, Doris Flaherty, Sarah Gay, Nancy Frankle, Elena Laguardia, Lauren Leth, Aubrey Mulligan, Emily Gordon, Kate Davis, Lisa Russo-Craig, Shawna LeMaire, Johanna Eklund, Erika Honan, Kishna Patel, Kelly Eastman, Deidre Kenney, Katie Crevasse, Irena Logan. Wow- we are so fortunate to have such great volunteers. Fair dollars help us purchase new books and technology for the school.

Congratulations to the students of R. B. Hunt and their families for helping raise \$930.00 dollars for UNICEF. We appreciate Ms. Lila Sleeper for organizing this worthy effort. This gift will be used to help provide clean water, medicine and immunizations children around the world. Thank you Hunt Family for your support.

I must admit I am a bit frustrated and concerned about student drop off in the morning. My job is to provide a safe environment for students, but it is difficult when established procedures are not followed by parents. If students are arriving by car they need to be dropped off in the parent line by the cafeteria or if parents wish to park across Anastasia Blvd. they may have students cross with the guards to the school. It is not safe for students to be dropped off in the front of the school or by car in the bus loop. I feel bad for students who know their parents aren't following the rules- and they do. This month Character Pillar is Citizenship. Please be good role models of citizenship and follow our established drop-off procedures.

We have four more super readers to add to the "Principal's Million Word Club". They are Laney Goode, Gavin Peters, Caya Asbille, and Hyde Kenney. Terrific job readers!

Thank you for your support,

Amanda S. Garman
Principal
