

# Hunt's Catch-Up

R. B. HUNT ELEMENTARY

## ***From the Principal's Desk:***

Dear R. B. Hunt Family:

This has been an incredibly fast year for me. I am so proud of how our students have grown! We received our FSA results for 3<sup>rd</sup> grade and I am proud of our student results. Our teachers and students have worked so hard and it shows!

We are challenging our students to continue their reading practice over the summer. Students can lose up to three months of reading progress over the summer if they do not continue to practice. It doesn't take much, 15 minutes per day can make a huge difference.

You can protect your child from summer reading loss by:

- Reading to your child daily or have students read for a set amount of time each day
- Reading a lot of different materials
- Talking about what you have read
- Asking your child questions about what was read
- Encouraging your child to write or draw in response to what they've read

Accelerated Reader will be open over the summer for students to take quizzes and get A.R. points. A special celebration is being planned for all summer readers and a special lunch for students who read One Million Words over the summer! Our local public library located in Seagrove is here to assist students in selecting "just right" books for them. Challenge your kids to avoid "summer slide"! Keep them reading!

Parent input for next year is being taken until June 1st. The input survey is on our home page located under the "schoolhouse", please fill out and submit your input for next year's placement.

We look forward to all of the end of the year activities next week. Remember- the last day is **Thursday and we will be releasing one hour early.**

Thank you for your support!

Amanda S. Garman

### School Supplies for Next Year

Are you looking for a hassle free cost saving way to get your students school supplies without having to fight the crowds? P.T.A.O. is providing a courtesy service through Schoolkidz to supply school kits that are pre-ordered and delivered right to school! P.T.A.O. is not making any profit from the kits, but wanted to provide this optional service to parents. Please see the enclosed flyer. Order deadline is June 3<sup>rd</sup>, kits will be delivered right to school. Prices are outstanding and will save money.
