

HUNT'S CATCH-UP

FROM THE DESK OF THE PRINCIPAL...

Dear R. B. Hunt Family,

Happy Earth Day! To celebrate and continue to protect our Earth, The St. Augustine Amphitheater in partnership with our P.T.A.O. through its Green Hands Community Impact Initiative, has donated four water bottle filling stations to R. B. Hunt. Each student and staff member will also receive a reusable green water bottle. We want to thank our Amphitheater neighbors for establishing green practices and helping us instill a sense of conservation in our students.

The swimming program for grades kindergarten, first, second and third grade will kick off next week. In order for your child to participate in this opportunity, we must have permission slips in by the following dates or unfortunately, your child cannot join in this learning experience. Make-up days may be assigned if the weather does not cooperate.

Kindergarten- April 25th and 26th
1st grade-May 1st-4th
2nd grade- May 8th-11th
3rd grade- May 15th-18th

If you have chosen for your child to participate, please apply sunscreen in the morning before they come to school. Also, make sure they have their swimsuit and towel.

Students will be assessed and instructed at their swim level. All students will be instructed in water safety. Coach Zeagler will also be working with 4th and 5th grade students on water and beach safety here at R.B. Hunt. We thank him for providing this important program to our Islanders!

There is one week until Teacher Appreciation Week! Flyers will be sent home with the week's schedule. Included this year will be the list of SSYRA Books for 2017/2018. We also raffle off a prize a day to a teacher (or staff personnel) and announce the winner on the morning news. If you have a business that could put together a prize basket or just want to donate a gift card, bring it to the front desk!

Want to rack up some more volunteer hours? We still need test proctors for this Monday and Tuesday and for the following week, May 1st and 2nd. It is nice, quiet time and you realize how hard the teachers and students have worked all year. Contact Allison DuBrow if you can help at allisonmdubrow@gmail.com
