

HUNT'S CATCH-UP

FROM THE DESK OF THE PRINCIPAL...

Dear R. B. Hunt Family,

Thank you to the many parents that attended the Volunteer and Business Partner training on Friday. What a great turnout! I look so forward to your volunteer support this year. Our parents are certainly, what makes R. B. Hunt the school that it is. I am looking forward to working with all of you.

Congratulations to all of our summer readers. We enjoyed a wonderful ice cream treat on Friday, thanks to the P.T.A.O. and our business partner, Ben and Jerry's ice cream on St. George Street. I would also like to thank our hearty scoopers: Kishna Patel, Doug Gibson, Katie Crevasse, Kara Tozer, Katheryn and George Charalambous. The ice cream was tough, but you managed to serve 275 students!

Last year, our school dove into the idea of developing a strong professional learning community for our students. This past summer all of our grade level chairs went to a three-day training on building "Professional Learning Communities". Each week our teachers meet in grade level teams to discuss student learning and growth. They also meet to plan for instruction, discuss the rigor of the standards and work together as a team to take ownership of all students in the grade level. This may include sharing students between teachers to remediate and accelerate, with the goal being to help all students achieve and grow to their potential. It is a shift for our teachers to share their data with colleagues and I applaud them for their professionalism and willingness to look at things differently to help all R. B. Hunt students.

Let's make it a Great Week,

Amanda Garman
