

# HUNT'S CATCH-UP

FROM THE DESK OF THE PRINCIPAL...

Dear R. B. Hunt Family,

Thank you so much for the support and encouragement for our students at the Fun Run. P.T.A.O. exceeded their goal, which would not have been possible without you! Our students seemed to enjoy the "Mind Spark" theme and we were able to balance hard work with fun during the week. Thank you to the P.T.A.O. board for their support and encouragement all week long.

We would like to invite you this Tuesday to our School Advisory Committee (S.A.C.) for the public review of this year's School Improvement Plan detailing our goals for the 2018-19 school year. Our meeting begins at 3:10 in the media center.

We have three more students who are now in the "Principal's Million Word Club", they are Maxon Gialluca, Paxton Beidle and Kai Hulbert! Way to go gentlemen! So far we only have boys in the club. Get reading ladies!

October is Fire Safety month! Our 1<sup>st</sup>-4<sup>th</sup> grade students have been invited to enter the Fire Prevention Poster Contest. Check out the rules in the Catch-Up, we haven't had an R. B. Hunt winner in a few years. I would love to have our student's artwork and inspirational messages displayed at the Main Fire Station next year!

Thank you for your continued support,

Amanda S. Garman  
Principal

### **Salt Life Food Shack**

Salt Life, located at 321 A1A Beach Blvd, has quickly become a staple of St. Augustine Beach. They are open from 11-2am and offer a golf cart ride, that adults and kids highly recommend if you are within a certain distance. They have an aquarium built by the show Tanked, sushi specials on Tuesday, oysters on Thursday, live music, and burgers and fries. This is their second year as a Principals List Donor. Thank you, Salt Life!

### **Mrs. McElhone’s School Counseling Update:**

Hello RB Hunt families! I hope you all have had a great start to the year!

Each month I have the opportunity to welcome each class to my room for a Classroom Guidance Lesson. I explain to the children that we not only need to develop our “school skills” to be successful in life, we also need to have strong “people skills” too! Our first classroom guidance lesson focused on conflict resolution skills. Conflict or disagreement is normal and often happens when children get together.

However, hurtful words, gestures, or physical responses are not acceptable ways to deal with conflict.

Our goal at RB Hunt Elementary is to teach students positive ways to deal with these situations. To do this, we use “Kelso’s Choice Conflict Management Program”. It teaches students the difference between "big" problems (problems they should get an adult’s help with) and "small" problems (things they can solve all by themselves). We work hard to brainstorm ideas on how we can solve small problems in a peaceful way. This month our lesson focused on solving small(minor) problems in a peaceful way. Our October lesson will focus on big(major) problems and how we can differentiate between the two.

For more information about the Kelso’s Choices program visit the Kelso’s Choices at [www.kelsochoice.com](http://www.kelsochoice.com). If you ever have any questions about my classroom guidance lessons or videos, please do not hesitate to contact me at 547-7962!
