

HUNT
CATCH-UP

FROM THE DESK OF THE PRINCIPAL...

Dear R. B. Hunt Family,

On Friday, our 4th and 5th grade chorus will sing at the Lighthouse Park at the 11:00 a.m. City of St. Augustine Arbor Day Celebration. Students need their permission slips in to participate. Parents, please feel free to join in the Arbor Day Celebration with us!

R. B. Hunt is participating in the "Souper Bowl of Caring" food drive January 28th through Friday, February 1st. Students can bring in their non-perishable food items and place them on the stage and "vote" on their favorite super bowl team. Then on Friday, we will celebrate by wearing the t-shirts or jerseys from our favorite teams. Classes K-2 and 3-5 who bring in the most items will be awarded a special donut or pizza party courtesy of the P.T.A.O. This is a critical time of year for our local foodbanks; please join us in lending a hand! This year items will be donated to the Betty Griffin house food pantry.

Ms. Robin Streit, our Teacher of the Year and Mr. Andrew Shaw, our Rookie Teacher of the Year, will be honored Thursday evening at the annual Teacher of the Year banquet. Congratulations to these outstanding teachers who represent R. B. Hunt so well. Thank you both for your dedication to our students!

I would like to congratulate Lily Sostrom, Tristan Begley, Aiden Pereira and Malaya Alphonso for reading over one million words this school year and becoming part of the "Principal's Million Word Club". Also, Donavon Grode and Sadie Benoit have read all Fifteen of the S.S.Y.R.A. books! Keep up the great reading!

Thank you for reading with your children!

Ads will not be taken after 02/14/2019!

Thanks,
 Patience Atteberry

SUMMER MARINE SCIENCE PROGRAM

Applications for the summer Marine Science Program will be passed out by science teachers at all schools during the week of February 11th. Applications will be due back to science teachers by March 5th. Applications can also be downloaded at any time from the website prior to April 12th at <http://www.grms.stjohns.k12.fl.us/> and click on the Marine Science link. The link also will have a complete day by day curriculum for each grade level, parent information, and a video from last year's program.

This summer program is available to all students currently in grades five through seven and has been sponsored by the school district since 1982. Three eight day sessions are held at Gamble Rogers Middle School with bus transportation provided. The dates for the three sessions this summer will be May 29st through June 7th, June 10th through June 20th, and June 24th through July 3rd. Small classes of 12-14 students are separated by grade level. All instructors in the program are St. Johns County School District teachers.

The Marine Science Program is a carefully designed experience for responsible students who are interested in learning about our local marine environments. Learning is "hands on" in the field with students kayaking, canoeing, boating, hiking, snorkeling, sailing, windsurfing, surfing, SUP, (stand up paddle boarding), etc. Specific grade level activities and curriculum are attached to the applications and are also available from the website.

More information about the program can be had by emailing Kristina Bransford at marinescienceprogram@stjohns.k12.fl.us.

PTAO NEWS

Our next PTAO meeting is Thursday, January 17th at 8:35am in the cafeteria. We will be discussing available board positions. If you have any interest in assisting or becoming the secretary, assisting the volunteer coordinator, assisting the president, or shadowing the Business Partner Chair next year, please come this Thursday to find out what these positions encompass.

The March 28th PTAO meeting is canceled. It would have been the Thursday following Spring Break. Lastly, please follow R.B. Hunt PTAO on Facebook. We post important information, such as Spirit Nights, and meetings.

BUSINESS PARTNER NEWS

Village Key and Alarm

Family owned and operated for over 45 years, Village Key and Alarm has been a leader in providing security solutions to residential, commercial, and government customers in the greater St. Augustine area. They are able to provide intrusion alarms, fire alarms, as well as monitoring, camera and locksmith services. Their friendly and helpful staff is available for free estimates. 441 State Road 16 (904) 824-5003

David M. Gay, MD

Dr. Gay is a board-certified Orthopedic surgeon and now a R.B. Hunt Beacon Donor. Dr. Gay specializes in disorders of the shoulder, elbow and wrist. He received his medical degree from the University of South Carolina, he trained at the University of Florida, and completed his fellowship in the upper extremity at Cornell University and at the Shoulder and Elbow Center in Australia. He is currently accepting new patients. (386) 586-1910

Grower's Alliance Coffee Shop

The Grower's Alliance Strives for the cleanest and healthiest ways to experience coffee. Organic sustainability gives us this high-quality coffee to share and be proud of. In today's age of processed foods, people want their clean, natural alternatives. Very kid friendly and close to the school. They provided the coffee at the Breakfast with Santa and twice for the teachers! 322 Anastasia Boulevard (904) 371-7869
