

HUNT'S CATCH UP

FROM THE DESK OF THE PRINCIPAL...

Dear R. B. Hunt Family,

This Week is Celebrate Literacy Week and Super Bowl of Caring Week. Please be sure to bring food and toiletry donations and participate in some of our special activities. We will be keeping track of how many items classes in grades K-2 and 3-5 bring in. The classes in those grade levels with the most items will be treated to a pizza or donut party by the P.T.A.O.

Monday- Kick off *Florida Celebrate Literacy Week & Super Bowl of Caring*: Wear your favorite team jersey & hat

Tuesday- "Read My Shirt Day"-Wear a shirt with words (school appropriate) on it that others can read.

Wednesday- The Idiom/Figurative language parade

Thursday- "Newspaper Day"-Wear black and white and read all over! Maybe even, talk about the newspaper.

Friday- "Snuggle Up with a Good Book One View at a Time".

We would like to congratulate and thank Sophia Cannata, for representing our school at the District Spelling Bee last Wednesday at the First Coast Technical College. Sophia competed against 35 other elementary and middle school students in grades 5-8, in what had to be an intimidating situation. She did an outstanding job and made us very proud.

Congratulations to Mikayla Sailor for reading "One Million Words"! and to Caenan McCarthy and Stella Gay have read all fifteen of the S.S.Y.R.A. books! Just in time to Celebrate Literacy Week!

Enjoy the cool weather!

SUMMER MARINE SCIENCE PROGRAM

Applications for the summer Marine Science Program will be passed out by science teachers at all schools during the week of February 11th. Applications will be due back to science teachers by March 5th. Applications can also be downloaded at any time from the website prior to April 12th at <http://www-grms.stjohns.k12.fl.us/> and click on the Marine Science link. The link also will have a complete day by day curriculum for each grade level, parent information, and a video from last year's program.

This summer program is available to all students currently in grades five through seven and has been sponsored by the school district since 1982. Three eight day sessions are held at Gamble Rogers Middle School with bus transportation provided. The dates for the three sessions this summer will be May 29th through June 7th, June 10th through June 20th, and June 24th through July 3rd. Small classes of 12-14 students are separated by grade level. All instructors in the program are St. Johns County School District teachers.

The Marine Science Program is a carefully designed experience for responsible students who are interested in learning about our local marine environments. Learning is "hands on" in the field with students kayaking, canoeing, boating, hiking, snorkeling, sailing, windsurfing, surfing, SUP, (stand up paddle boarding), etc. Specific grade level activities and curriculum are attached to the applications and are also available from the website.

More information about the program can be had by emailing Kristina Bransford at marinescienceprogram@stjohns.k12.fl.us.
