

Dear R. B. Hunt Family:

This week we will begin our F.S.A. Testing with 3rd, 4th and 5th grades. We know our students are ready and all we ask is that they do their personal best and show how far they have come this year. As with any other week, please have them well rested and on time for school.

We would like to congratulate our awesome Volunteers of the year. Kishna Patel has so kindly taken the position of President of the P.T.A.O. this year at R. B. Hunt, she has volunteered and helped to organize all of their many events She is also very involved with volunteering at Sebastian Middle School. Our "senior" volunteer is Michele Dufresne. She is a reading expert and has published many reading programs through her company Pioneer Books. She has been a wonderful resource to our school over many years and has shared not only her expertise, but many of her company's products, and most valuable of all, her time with helping our students learn to read.

We have so many more students in the "Principal's Million Word Club", please help me congratulate, Jaxon Patterson, Alexandros Darios, Kevin Moe, Rachel Moon, Belle Alford, Ella Bickford, Lanirei Decker and Gabriel Batarick.

The last of our students to complete all 15 of the S.S.Y.R.A. books and be able to compete in the "Battle of the Books" are; Billy Love, Rachel Moon, Julia McKenna, Taylor Johnson, Maryam Shandor, Pablo Cruz and Lanirei Decker. Way to go readers!

Thank you for all you do,
Amanda S. Garman

 with Garlic Toast

SUMMER MARINE SCIENCE PROGRAM

Applications can be downloaded at any time from the website prior to April 12th at <http://www.grms.stjohns.k12.fl.us/> and click on the Marine Science link. The link also will have a complete day by day curriculum for each grade level, parent information, and a video from last year's program.

This summer program is available to all students currently in grades five through seven and has been sponsored by the school district since 1982. Three eight day sessions are held at Gamble Rogers Middle School with bus transportation provided. The dates for the three sessions this summer will be May 29th through June 7th, June 10th through June 20th, and June 24th through July 3rd. Small classes of 12-14 students are separated by grade level. All instructors in the program are St. Johns County School District teachers.

The Marine Science Program is a carefully designed experience for responsible students who are interested in learning about our local marine environments. Learning is "hands on" in the field with students kayaking, canoeing, boating, hiking, snorkeling, sailing, windsurfing, surfing, SUP, (stand up paddle boarding), etc. Specific grade level activities and curriculum are attached to the applications and are also available from the website.

More information about the program can be had by emailing Kristina Bransford at marinesciencceprogram@stjohns.k12.fl.us.

Kindergarten and Online Registration

The St. Johns County School District (SJCS D) will begin early registration for the 2019-2020 school year March 1. This registration is only for children new to the school district, including those entering kindergarten.

Early registration can be completed online at or by visiting the student's assigned school website. To find the assigned school, enter your street address on the [Attendance Zone Locator](#). To be eligible for public kindergarten in the SJCS D, children must be 5 years old on or before September 1 and must reside in St. Johns County.

Other requirements for registration:

- Birth certificate/Guardianship Documents
 - Documentation of a health examination performed within one year of enrollment
 - Proof of completed required immunizations on Form DH680
- Proof of residence per the [Residency and Guardianship Policy](#). For additional information on registration, contact the Student Services Department at 547-7598 or the assigned school.
