Dear R. B. Hunt Family,

Volunteers please join us on Tuesday morning for a thank you breakfast in the media center at 8:30a.m. Our school is successful because of all you do for our children each day. Thank you for giving of your time and talents to make a difference for our school. Our last P.T.A.O. meeting of the year will be held after the breakfast. Please join us!

Student Placement Procedures for 20019-2020 School year:

Student's current teachers are in the process of completing a data card for each student in their class. This data card includes information such as academic data, information about classroom habits, children that need a break from one another, and other special needs and considerations. Our teachers will form classroom groups of students who they feel will work well together and form a classroom community, but they will not attach that class to a teacher. After reviewing the parent input survey online, open from May 1-31<sup>st</sup>, on our website, I will make adjustments and look at teacher assignments. I cannot accept specific teacher requests, but do know it is a well thought out process that looks for the optimal environment for your child's growth. If you wish to give input, take advantage of our online survey located on our website. This will close on May 31<sup>st</sup>.

Congratulations to Rainia Unwalla, Adelaide Pacetti, Abigail Robinson and Skye Nash for reading One Million Words this school year! They will join us at the ice cream party next week. Keep on reading- many of you are close!

Thank you for your support,

Amanda S. Garman
