

HUNTS CATCH UP

Dear R. B. Hunt Parents,

I would like to extend a heart-felt thank you to all of you and to our awesome P.T.A.O. for providing such a special week for all of us for "Teacher Appreciation". We were well fed and pampered all week long! We thank all of you for your participation and support throughout the year. You certainly made us feel appreciated. We especially loved the special cards and notes- many thanks for your kindness!

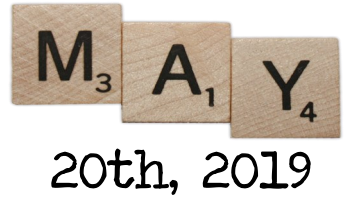

A very special thank you to our media specialist, Susie Gorick who will retire this year after 35 years of dedication to our children. Thirty-four of her years spent serving R. B. Hunt Elementary School as a kindergarten, second grade and school media specialist. We will certainly miss her and are so fortunate to have been blessed with her for the past 34 years. I know personally she had my son in the second grade and made a huge impact on him. We thank you, Susie for all you have done for our children and our school and wish you all good things in the future!

We would like to congratulate our fifth graders and wish them all the best as they move on to middle school! We know that they are ready and we look forward to all the great things they will accomplish in the future. I would like to thank 5th grade parents Kristen Thomas, Zeba Ottilo and Kara Tozer for planning and organizing the celebration. Fifth grade students should be here on Thursday no later than 5:15 p.m. for the moving on ceremony. The program will start promptly at 5:30p.m. The student celebration will end at 8:00p.m. Prompt pick-up is appreciated.

The last day of school is Friday. I can hardly believe how fast the year has gone! I feel so blessed to have so many wonderful children, outstanding parents and fantastic professionals to work with and a career that I truly love. Thank you for your continued support of our school. We will release one hour early on Friday, at 1:50.

Read, and have fun this summer!
