

# HUNT'S CATCH UP

Dear R. B. Hunt Family,

Please join us this Thursday, August 29<sup>th</sup> at 8:30 a.m. for our first P.T.A.O. meeting and volunteer breakfast in the cafeteria. Please come and meet our P.T.A.O. Board for the 2019-20 school year, and hear about the activities they are supporting this year for our children. We have plenty of opportunities for you to get involved in our school, no matter how much or how little time you have to volunteer. Our volunteers and parent participation are what make our school so awesome!

Our School Advisory Committee (S.A.C.) will have its first meeting on Tuesday, September 3<sup>rd</sup> at 3:05 in the media center. The School Advisory Committee meets monthly for about an hour and provides input to the school administration on topics of concern for the school. We are a committee of parents, teachers, support staff, district office staff, and community members that provide input for the continuous improvement of our school. Topics range throughout the year depending on current concerns. Please consider joining this important team.

Homework: Our policy at R. B. Hunt is that homework is practice. We ask students to read a certain number of minutes nightly for practice, because we know the more they read- the better they get at it! Some grade levels also may give math problems- for practice. Teachers then check for understanding the next day. We do not expect parents to help with math. The feedback for teachers when children get problems incorrect helps them know what they need to explain again or in a different way. Please do not stress about incorrect problems or correct them for your children. This is how we all learn about our next learning steps. Homework is practice NOT perfection.

Speaking of reading- all summer logs are due tomorrow morning, Tuesday, August 27<sup>th</sup> for the ice cream party this Friday.

Thank you for your continued support,

Amanda S. Garman
