

Hunt s Catch Up

Dear R. B. Hunt Family,

A heartfelt thank you to all of our families who serve in the military. We thank you for your willingness to give up so much of what most of us take for granted so that we can enjoy our many freedoms. We are still adding to our Veterans Wall of Honor, so please bring a copy (no originals) of a picture of a family member in uniform representing a branch of the military. Please attach a note with your name, service person's name, relationship, military branch and years of service.

Congratulations to Mrs. Laura Inman, our "Support Employee of the Year". Mrs. Inman is the glue that holds our school together! She came to the rescue and is currently running the extended day program in Mrs. Hooper's absence. Ms. Laura is a wonderful mix of kindness, caring, organization and work ethic. We are proud to have to represent R. B. Hunt at the Support Employees banquet at the end of November.

The Pillars of Character are alive and well at R. B. Hunt. To show how much we care, our students have joined with the St. Augustine Lighthouse & Maritime Museum to "Fill the Pig" with their spare change to help continue the Lighthouse's research and to save the World War II wall for an upcoming exhibit. So please send your change in with your students to support our tall lighthouse neighbor. All change will be turned into the Lighthouse on November 19th.

Congratulations to Luca Charalambous, who has now read one million words! Welcome to the "Principal's Million Word Club". Riley Pangle, Donovan Grode, Ella Lewis and Nolia Seward have read all fifteen of the S.S.Y.R.A. books. Way to go readers!

Remember No school next Monday, November 11th!
