

HUNTS CATCH UP

Dear R. B. Hunt Family,

Thank you for a wonderful opening of school. This year we have 431 students on campus and 111 joining us for online learning for 542 students. Our projected numbers were 610 for this year, so as the week goes by we may be making some necessary adjustments to classes and teachers as we have lost students to other learning platforms and schools. Our student numbers drive our teaching allotments.

It is amazing how our students have adapted to the safety changes and seem genuinely happy to be here at school. We had a smooth start to school. Students are so much more capable than we give them credit for, they have had no problem going directly to class in morning and following safety guidelines. Thank you for supplying your students with a face covering and a spare in their backpacks.

We would like to welcome some new members to our R. B. Hunt Family:

- Marlee Potter-Speech Therapist
- Rachael Day- Speech Therapist
- Laura Hines- Gifted Consult
- April Sheltz- Occupational Therapy
- Tracy Clark- Deaf and Hard of Hearing

A very special thank you to the Halcrow Family and Hennessy events for making our start back to school so special and festive for our students with the awesome display of balloons in the hallway, cafeteria, parent drop off and the bus loop. I received so many positive comments from parents about their students feeling good about being back at school. Many thanks!

We look forward to another great week at Hunt!
