HUNTS CATCH UP

R·B·Hunt ELEMENTARY SCHOOL
"Home of the Islanders"

Dear R. B. Hunt Family,

Things continue to go well at our "brick and mortar" location, I am so pleased that our students seem unfazed by the safety protocols and seem to be happy to be back. Online learners seem to be doing well, but technology seems be creating some issues. Our teachers are doing their best to assist with this and provide as much interaction as possible. We are getting something called "NearPod" that will help with printing issues and turning in documents and at some point we will be converting to a Zoom platform to replace the Blue Schoology button, so that should help with those issues. Stay tuned as we continue to work to improve learning for all of our students.

On Tuesday, students will watch the Safety videos with their classes and review the "Always Rules". The videos are available for parents to watch on the R.B. Hunt website. Scroll down to Parent Information and under helpful links are the videos for grades K-3 and 4-5

<u>This Thursday is individual Picture Day!</u> Online students will get their pictures taken on the November 2nd make-up day by appointment. We will also have a date in December for our online students. More to come on that as the date approaches.

P.T.A.O. will have their first meeting on Thursday, outdoors at the Growers Alliance at 8:40 a.m. Please join if you can!

Thanks for all you do at home to ensure your child's success at school in brick and mortar and in online!
