

Hunts Catch Up

Dear R. B. Hunt Family,
Beginning next week on Wednesday, October 14th, early release time will change to 12:55. This will occur until winter break. This change will allow more time for teachers to balance the needs of online learners with brick and mortar students.

Our first School Advisory Council (S.A.C.) meeting will be held on Tuesday, October 6th at 3:10 p.m. via Microsoft TEAMS. We will continue to meet monthly throughout year on the first Tuesday of the month.

October 6
November 3
December 1
January 5
February 2
March 2
April 6
May 4

The committee, made up of parents and guardians, community representatives, the school principal, as well as instructional and non-instructional staff members. If you are interested in joining, and can make a commitment to this monthly meeting, please contact Meghan Saxon at Meghan.saxon@stjohns.k12.fl.us. The S.A.C. committee is vital to our school for input and support throughout the year.

We will discuss our School Improvement Plan at the November 3rd meeting.

Thank you for READING with your children,

The clinic is in desperate need of girls clothing. Sizes 5 to size 12; shorts, tops, sweaters, pants, leggings would be greatly appreciated!

Thank you for your help and support!

PTAO NEWS:

Please save and turn in your broken crayons and worn out markers as we continue with our crayon and marker recycling. Crayons are melted down and used to create new crayons for Children's Hospitals. Markers are turned into energy. We recycled 23lbs of crayons and 21lbs of markers last year! Collection containers are near the front lobby.

We are still collecting clipped Box Tops until they expire. Please turn in your clipped box tops to the front lobby or Anastasia Branch Library. This year they are also offering the option to turn in the clippings yourself, please visit the site for more details. This program has gone digital so be sure to go to BTFE.com to register, get participating product list, program details and promotions and download the app.

Amazon smile is an easy way to earn money for the school while shopping online. Download the most current version of the Amazon app, go to the main menu, settings then amazonsmile and follow the steps.

We are launching Coca-Cola Gives this year! This is a product code capture program and money goes to directly to our school. Either go to coke.com/give/school to scan or submit codes or turn in the caps and codes from packaging to Anastasia Branch Library or to the front lobby.

Please look for more detailed information from your home-room parent in the coming weeks. Should you have any questions or any new ideas for participation or programs please contact Victoria Shoff at vgorham@aol.com
