

# Hunts Catch Up

Dear R. B. Hunt Family,

Congratulations to Eleanor Valla for reading all fifteen of the S.S.Y.R.A. books and to Tyson Landon for being a member of the "Principal's Million Word Club". Great work readers!

Fifth grade parents, on Tuesday, March 2<sup>nd</sup> Kirstie Gabaldon, principal of Sebastian Middle School will be on TEAMS and present to the S.A.C. committee at 3:10. She will discuss middle school and various programs at Sebastian. If you would like to receive a TEAMS invitation to participate online or if you are planning to attend in person, please contact Mrs. Abbatinuzzi at 547-7957 so we can make sure we have a large enough space to hold the meeting safely. Ms. Gabaldon will be discussing their programs and making a smooth transition to middle school.

Information should be going home this week for parents regarding students scheduling, which will take place next Thursday, March 4<sup>th</sup> here at R. B. Hunt. Fifth grade students will also be bringing home information and a form to fill out for classes for next year. Representatives from Sebastian will be on campus to meet with students this Thursday to help them with scheduling, because of COVID-19 parents will not be part of those meetings, so be sure to discuss and fill out the forms with your children.

We have a multitude of coats, lunchboxes, water bottles and other items in our "Lost and Found", if there is no name on these items, they will be donated to charity during spring break. Please encourage your children to look for lost items!

Thank you for reading with your children,

Amanda S. Garman  
Principal

 ed Veggie Dippers and Fruit, Sweet Potato Fries

### **SUMMER MARINE SCIENCE PROGRAM**

#### **DO NOT MISS OUT ONLY 2 SESSIONS**

Application directions for the summer Marine Science Program will be passed out by science teachers at all schools during the week of February 10th. Parents/guardians must complete part 1 of the application at our website. Application student essays, part 2, will be due back to science teachers by March 5th. Student essay forms can also be downloaded at any time from the website. Distance learners must return their essay to their teacher through Schoology or email. Please visit us at <http://www-grms.stjohns.k12.fl.us/> and click on the Marine Science link. The link also will have a complete day by day curriculum for each grade level, parent information, and a video from last year's program.

This summer program is available to all students currently in grades five through seven and has been sponsored by the school district since 1982. Hurry do not miss out, only two eight-day sessions are held at Gamble Rogers Middle School with bus transportation provided. The dates for the sessions this summer will be June 14th through June 24th and June 28th through July 8th (Monday-Thursday). Small classes of 12-15 students are separated by grade level. All instructors in the program are St. Johns County School District teachers.

The Marine Science Program is a carefully designed experience for responsible students who are interested in learning about our local marine environments. Learning is "hands on" in the field with students kayaking, canoeing, boating, hiking, snorkeling, sailing, windsurfing, surfing, SUP, (stand up paddle boarding), etc.

More information about the program can be had by emailing Kristina Bransford at [marinescienceprogram@stjohns.k12.fl.us](mailto:marinescienceprogram@stjohns.k12.fl.us)

**Exceptional Student Education (ESE) Parent Surveys are open from February 1 to May 31. Parents may access the survey at**

### **PTAO NEWS**

Did you know shopping on Amazon earns R. B. Hunt money? The 3rd quarter of last year we earned \$110. Please make sure you have the most current version of the Amazon App. Go into the main menu, settings, then AmazonSmile. Type in R B Hunt Parent Teacher Advisory to select our school as your charity. You can change your charity at any time. If you do not see Smile in your app go into your browser to sign-up then it will be available for selection in your Amazon app.

We continue to collect used markers and broken crayons. The markers get recycled to create energy and the crayons get melted down to create new crayons for Children's Hospitals. Please turn in your used markers, highlighters and crayons to the school.

### **BUSINESS PARTNERS**

**O.C. Whites-** Directly across from the downtown marina, their menu includes homemade crab cakes, fresh grouper, fresh shrimp, chowder, steak, chicken, and pasta dishes. They also have a great kids menu and yummy drinks. The building dates back to 1790 and was originally a hotel. 118 Avenida Menendez (904) 824-0808

**Salt Run Dentistry -** Salt Run Family Dentistry specializes in bringing out the very best smiles for everyone in your family, but they've also made it their mission to care for you like family. Not only will they provide you with the best in comprehensive dental care, rest assured that the relationships they build with you will foster a level of trust to last for a lifetime. They help improve or maintain the oral health of your entire family. [saltrundental.com](http://saltrundental.com), Phone: (904) 824-3540

**The White Room-** The White Room is an award winning, full service private event and wedding venue located in the heart of historic St Augustine on the historic bay front. They have 3 private waterfront event venues to choose from, all with indoor and outdoor areas with breath taking views. In their 10 years of experience, they have already won many awards. Check out the beautiful pictures at [whiteroomweddings.com](http://whiteroomweddings.com)
