Calling all young students! Kindergarten registration is open and all online. Please go to our R. B. **Parents/Guardians,**

The St. Johns County School District (SJCS) has recently implemented the eSchoolPLUS Family Mobile App for parents/guardians. This mobile app allows parents to see many of the Home Access Center (HAC) features from their mobile phone. This application uses the same login credentials as Home Access Center (HAC).

Here is what the eSchoolPlus Family app looks like in the app store (Apple or Google):

Here are some of the key academic areas displayed by this mobile app:

- Student grades
- Attendance
- Assignments
- Report Card and Progress Reports
- Schedule
- Transportation
- Notifications

In addition, we discovered that some parents were using other untrusted 3<sup>rd</sup> party mobile apps to provide similar data pulled from our system by providing them with their personal HAC credentials. This can be dangerous because, the District has no connection or affiliation with these other vendor apps. By providing them with your credentials, you have granted them access to your child's personal academic data. If this is the case, we recommend you remove the 3<sup>rd</sup> party app from your phone and then change your password in HAC. Then download and use the new eSchoolPLUS Family app (shown above).
