

Dear R. B. Hunt Family,

This week we will begin our Florida Standards Assessment Testing or F.S.A. We begin with our 4th and 5th grade Writing Assessment. Testing will be Tuesday beginning at 8:30. It is critical that students are here on time, have had something to eat and had enough sleep. We try to be low key about testing and let students know that they have the skills to complete the tasks given. All we ask is that they try their best!

Thanks to all of you that completed the School Improvement Survey. We will review this information at the SAC meeting on Tuesday at 3:10 in the media center or on TEAMS. Please contact the school secretary, Mrs. Abbatinuzzi at 547-7957, if you would like a link to listen and participate.

With the warmer weather, we appreciate parents making sure their children are dressed within the St. Johns County dress code. This includes shorts that are finger tipped in length, no "strappy" tank tops, and shoes with a back. Sorry, but flip-flops are not safe for elementary students on the playground and in PE. As students grow, what was appropriate in September, may not be long enough now- all part of growing up.

Guess what? Eliana Pacetti is the only student to join the "Principal's Million Word Club" this week. GREAT reading Eliana- keep up the good work!

Reminder- Friday is a teacher planning day- so students will have a day off.

Thank you for your support,

Amanda S. Garman
Principal

Parents/Guardians,

The St. Johns County School District (SJCSD) has recently implemented the eSchoolPLUS Family Mobile App for parents/guardians. This mobile app allows parents to see many of the Home Access Center (HAC) features from their mobile phone. This application uses the same login credentials as Home Access Center (HAC).

Here is what the eSchoolPlus Family app looks like in the app store (Apple or Google):

Here are some of the key academic areas displayed by this mobile app:

- Student grades
- Attendance
- Assignments
- Report Card and Progress Reports
- Schedule
- Transportation
- Notifications

In addition, we discovered that some parents were using other untrusted 3rd party mobile apps to provide similar data pulled from our system by providing them with their personal HAC credentials. This can be dangerous because, the District has no connection or affiliation with these other vendor apps. By providing them with your credentials, you have granted them access to your child's personal academic data. If this is the case, we recommend you remove the 3rd party app from your phone and then change your password in HAC. Then download and use the new eSchoolPLUS Family app (shown above).
