

Hunts Catch Up

Dear R. B. Hunt Family,

This week we will kick off our pet drive for S.A.F.E. sponsored by our 5th grade classes. On the back of the "Catch-Up" are some things we are collecting. Please help our students support local homeless pets.

5th grade will also take the Science FSA on Tuesday and Wednesday mornings. Please help us by having students to school on time, rested and we will take care of the rest!

Parent input for next year is being taken until June 30th. The input survey is on our home page toward the bottom in a blue box, please fill out and submit your input for next year's placement.

Yearbooks have arrived and look fantastic! A big shout out to Mrs. Patience Atteberry, media tech. for creating this awesome yearbook for our students. A limited number were ordered and most have been purchased, but we have some still available for \$20.00. You can order these through our website. We anticipate handing these out to students at the end of the week.

We are celebrating "Teacher Appreciate Week" at R. B. Hunt next week. I know many of you already did some sweet and wonderful things for our teachers, but we decided to post-pone the week due to testing and we also thought we all needed a "boost" these last few weeks of school. P.T.A.O. has planned many special things as well for our teachers.

We have some awesome readers to congratulate- Noah Murfin, Sienna Steele and Harrison Gates are all members of the "Principal's Million Word Club". Outstanding job practicing your reading- the more you read- the more proficient you become!

Looking forward to a GREAT week!

Amanda S. Garman
Principal
