

HUNTS GATGH UP

Dear R. B. Hunt Family,

Thank you to all the families that supported the pet drive for S.A.F.E. if you have any remaining items, turn them in on Tuesday.

We are looking so forward to celebrating our teachers this week. P.T.A.O. has planned some special treats for teachers. A big thank you to P.T.A.O. and our business partners for helping us say "thank you" to our hard-working teachers.

Have you registered your students for next year! Please go to our R. B. Hunt website at rbh.stjohns.k12.fl.us with the "snapcode" you received from St. Johns County School district. Click on the RETURNING STUDENT VERIFICATION tab on the top and complete the required information and downloads. Please contact the support line at 866-752-6850 or email support@powerschool.com if you have difficulties using this online tool.

The district does not give me teacher allocations unless we have the number of registered students to support those positions. So, we need an accurate count of students, so we are prepared with teachers and materials for next year. I am unable to hire teachers unless I have the numbers to support those positions in our data base. Finding outstanding teachers is difficult in July- so please get your students registered for next year and spread the word!

Parent input for next year is being taken until June 15th. The input survey is on our home page toward the bottom in a blue box, please fill out and submit your input for next year's placement.

Enjoy celebrating Memorial Day with your family,

Amanda S. Garman
Principal
