

Hunts Catch Up

Dear R. B. Hunt Family,

We had a GREAT first week of school! This year we have 582 students registered at R. B. Hunt. We are working hard to provide a wonderful learning environment for your children. We are in the process of becoming a Positive Behavioral Interventions and Supports School or P.B.I.S. for short. A big part of P.B.I.S. is that we teach and practice the behaviors we wish to see in our staff and students, and we try to reward positive behaviors. Many of us went to a powerful "Capturing Kids Hearts" training this summer which was truly inspiring and a wonderful foundation for P.B.I.S.

Our motto at R. B. Hunt is that we **S.H.I.N.E.**

At R. B. Hunt we SHINE by:

- S-Safe Choices
- H-Having Respect
- I-Including Others
- N-Noticing Feelings
- E-Engaging in School

Our teachers continue to plan and work together as a Professional Learning Community to ensure that all students receive the same quality instruction. They are using a new English Language Arts series called SAVVAS and Kindergarten through second grade is using Wilson Foundations to support reading in phonics and phonemic awareness.

There has been concern and questions about our current Covid protocols. I have listed them on an additional sheet that is attached to the "Catch-UP", but there is a wealth of information on the St. John's County Schools District website at:
