

Hunts Catch Up

Dear R. B. Hunt Family,

This has been a complicated start to the school year. As a school we are trying to balance and respect so many different points of view, while keeping on track with our students and their learning. The district is mandating face masks or face shields for all employees and visitors for the next 30 days. In accordance with Executive Order 2021-175, this temporary mandate does not apply to students. Just as last year, this applies any time social distancing of 6 feet is not possible.

Please keep your students HOME if they are exhibiting ANY of the following symptoms:

- Fever of 100.4 or higher
- Uncontrolled Coughing
- Shortness of breath or difficulty breathing
- Sore Throat
- Loss of sense of smell or taste
- Muscle aches
- Vomiting or diarrhea
- If they are currently waiting COVID-19 results
- If they live in the same home as someone who is COVID-19 positive. If yes, please keep your child home and notify the school nurse, Ms. Keifer at 547-7965, when tests results are received.
- If they have had close contact with someone who in the past 14 days tested positive for COVID-19. They must quarantine for 7 days from the last date of contact with the positive individual. The quarantine period may be shortened if a negative COVID test result is obtained on day 5 or later from exposure to the positive case.

If we are all on the same page with the items listed above, it will help keep our students healthy. We are seeing students in the clinic that clearly should not have been sent to school.

Thank you for your support,

Amanda S. Garman
Principal
