

HUNTS Catch UP

Dear R. B. Hunt Family,

How can I ever thank you for your support of our "Boosterthon Fun Run"? Because of your generous donations P.T.A.O. was able to raise over \$55,000 that will go directly for those "extra items" for our students that make school more enjoyable. At our last meeting new kid friendly furnishings for the media center were approved as well as new picnic tables, benches and replacing water fill stations. We are also waiting on new soccer goals for the playground that should be arriving soon. So, THANK YOU!

A big thank you to all the volunteers who marked shirts, handed our water, and cheered on our students at the run. Thanks to officer Shipp for volunteering to get "slimed" for the school reaching their Boosterthon goal.

Students had a fun week and also celebrated the "Pillar of Caring" by giving so much to the St. Johns Food Pantry. Top collectors for each grade level are, Kindergarten- Mrs. Hatton, First grade- Mrs. Stetson, Second grade- Mrs. Kotz, Third grade- Mrs. Brown, Fourth grade- Ms. Mays and Fifth grade- Mrs. Cleary. Fifth grade was the overall biggest collector of items for the food pantry with 1,478 items. Our school donation will help our neighbors in need. Thank you!

Looking forward we will be having field day on Thursday, March 10th, then we will begin spring break March 11th through the 18th. With school resuming on March 21st. We appreciate you planning you vacations around our school calendar. A child can never really "make-up" the interactions and dialog that revolve around an academic topic. If we have learned anything from covid it is that students need that interaction to make the most progress all around.

Thank you for your support,

Amanda S. Garman
Principal
