

# Hunt's Catch Up

Dear R. B. Family,

I am so proud of our R. B. Hunt Robotics Team! They placed first in the district LEGO Robotics Competition at the Link on Saturday and beat out several middle school teams! I was able to attend and see firsthand the teamwork, quick thinking, and problem-solving skills these students have. They brought back to R. B. Hunt a huge trophy that will be part of R. B. Hunt history. The team members are Kolton Barrett, Myranda Carranza, Dimitrios Chaconas, Luca Charalambous, Soleil McMandon, Kavi Reddick, Gia Samora, and Tatiana Unwalla.

Coaches, Becky Welu, Beth Cleary, and Mark Prado led our team. We certainly could not have done it without their leadership, guidance, and confidence in our students. I would also like to thank the parents for their support of the team, getting their students to practice, competitions, and providing that emotional support to try new things. Thank you!

Report cards will go home tomorrow. Please take time to review the information and discuss with your child what they are excelling at and what they need to continue to work on. If you would like to schedule a conference with your child's teacher, please contact your teacher via note, email, or voicemail to set up a time.

Fourth and Fifth grade will take the writing portion of F.S.A. next week on Tuesday, April 5<sup>th</sup> first thing in the morning. Our students are ready and will be just showing what they have been working on all year long. Parents, please give your student the best opportunity by making sure they have a good night's sleep, something healthy for breakfast and arrive on time to school.

Can you believe it is almost April? It is this time of year that things really go fast! Help your child finish **STRONG** by being present, on time and prepared to learn until the end!

Thank you for your Support,

Amanda Garman  
Principal
