

Dear R. B. Hunt Family,

Thank you for filling out the School Improvement Survey. We had 62% of our parents take the survey, which is outstanding. This helps us to plan and constantly improve what we are doing here at R. B. Hunt. Some of the things that parents would like to see more of, volunteering, afterschool programs, and special activities have been restricted due to covid protocols the past two years, it is our hope to have our music programs, special activities, character counts honors, and volunteering back in full swing next year.

Parents, we need your help! We are having a multitude of problems with student cell phones and other wireless communication devices such as apple watches. School board policy is that students may have a cell phone, but it is to be turned off and placed in the backpack. If students need to communicate with you, they are to go through the teacher and use a school phone. These items are a big distraction and interfere with the learning process.

Florida Standards Assessment reminder:

Fourth and Fifth Grade will take F.S.A. writes on Tuesday beginning at 8:30

Third Grade will take the English Language Arts portion of the test on Thursday and Friday, beginning at 8:30.

Our students are ready and will be just showing what they have been working on all year long. Parents, please give your student the best opportunity by making sure they have a good night's sleep, something healthy for breakfast and arrive on time to school.

Thanks for all you do to get your students to school, on time and ready to learn!

Amanda S. Garman  
Principal
