

Hunts Catch Up

Dear R. B. Hunt Family,

We are going to try it again- our field day will be this Thursday for all grades. Hopefully, we will have a beautiful, sunny day. Please make sure students wear athletic shoes, comfortable clothes, and sunscreen. Looking forward to a wonderful day of physical activity and fun. A BIG thanks to Coach Zeagler for organizing this event for our students.

Did you know that if you are in a school zone you should NOT be touching your cell phone? (This includes parent pick-up and drop-off) I never knew that, and it makes perfect sense to me. Officer Shipp told me that the other day and I did research the topic:

Drivers can now be ticketed for simply holding their phones in a school or active construction zones. "Now when you are going through a school zone, you can no longer be on a device. You got be hands-free." "You can't be holding it, you can't be looking at it, (you) got to be completely hands-free." – Florida State Trooper Barton

So, parents please keep our kids safe and put down that phone in our school zone! Thanks for doing your part.

We have some impressive readers to congratulate- Elin Breidenstein, and Evelynn Rojas are now members of the "Principal's Million Word Club." Outstanding job practicing your reading- the more you read- the more proficient you become! So proud of you!

Remember- we have a holiday this Friday and next Monday. We will see you on Tuesday, April 18th.

Thanks for your support,

Amanda S. Garman
