

# Hunts Catch Up

Dear R. B. Hunt Family,

The fifth-grade celebration will take place on Thursday, June 2<sup>nd</sup> from 11:30a.m.-1:30p.m. on Coach Durr field. Students will celebrate their last day with pizza, drinks, ice cream, music, photo booth and fun. If you are interested in chaperoning and are a cleared volunteer, a survey monkey for this will go out soon.

For administration, one of the most important jobs we have is determining the most appropriate class for each child. In doing so, we first consider individual student needs based on the student's academic and behavioral history. Student's current teachers are in the process of completing a data sheet for each student in their class. This data sheet includes information such as academic data, information about classroom habits, children that should not be placed in the same classroom and other special needs and considerations. We try to match each student with the teacher whose strengths we feel will best complement his/her needs. We then carefully balance each class to insure a diverse and equitable group of students for each teacher.

We value and appreciate your input. Please feel free to fill out the Parent Input form on our website and submit it by June 17th. I appreciate your understanding and trust that we will make every student placement with a great deal of care, thought and purpose.

We have a variety of activities planned to support our P.B.I.S. program. However, they have deadlines that must be followed. Because of the short turn around time, we will be unable to accept late permission slips and request for activity forms. Activity forms need to be in by this Friday and Permission slips are due by Tuesday, May 24<sup>th</sup>.

Thank you for your Support,

Amanda S. Garman  
Principal
